

## **Horry County CDBG Application**

### **Addendum #1**

*Dated: January 27, 2023*

- 1. Is the \$150,000 being made available for public service activities across the entitlement, including unincorporated Horry County and the City of Myrtle Beach? Or is the \$150k amount for unincorporated Horry County public service activities only.**

This request for proposals round is for public service projects that benefit residents of unincorporated Horry County only. The approximate \$150,000 being made available in this request for proposals does not include projects serving the City of Myrtle Beach.

- 2. Are feasibility studies an eligible public service activity?**

A feasibility study would be considered a planning activity and would not constitute an eligible public service activity.
